

**REGIONAL CANCER CENTRE
THIRUVANANTHAPURAM-695 011**

**Prospectus for Admission to
Fellowship Programme in Oncologic Imaging-2022**

The Regional Cancer Centre, Thiruvananthapuram (RCC), now in its 41st year of service to the nation is an autonomous institution sponsored jointly by the Govt. of Kerala and the Govt. of India. It is an internationally acclaimed centre for cancer treatment and research and caters to the population of the state of Kerala and adjoining parts of Tamil Nadu. Handling over two lakhs patients including over 15,000 new cancer cases annually (30 lakhs patient visits in the last 15 years) RCC stands tall in the health map of Kerala carrying out innovative and pioneering work in cancer control, treatment, research and training.

RCC is a comprehensive cancer centre with full-fledged departments of Surgical Oncology, Radiation Oncology, Medical Oncology and Paediatric Oncology supported by allied services such as Pathology, Radiodiagnosis, Nuclear Medicine, Anaesthesiology, Microbiology, Transfusion Medicine, Laboratory services and Nursing services. The centre also has separate divisions for Community Oncology, Medical Records, Cancer Epidemiology, Cancer Research, Palliative Medicine, Dental Care, and Computerized Hospital Information System management. The information support for all these activities is provided by a well-organized Library & Information Services division.

COURSE STRUCTURE

The course stresses on practical and clinical aspects of radiological diagnosis, evaluation and interventions in Oncology. During their posting in different divisions, doctors will be given ample opportunities to see all the imaging studies done in the department and worked up interesting cases. They will be given exposure to **VR (Voice Recognition)** reporting on **PACS (Picture Archiving and Communication Systems)** workstations. PACS images from 2012 are available for comparison/ research purpose. Interesting cases before 2012 are available in film format in the excellent departmental museum.

CT & Guided procedures – 3 months (High End Dual Energy CT)

- Body imaging with oncological perspective.
- CT guided FNAC / Biopsy, pigtail drainage (for abscess, fluid collections) etc.

MRI (Magnetic Resonance Imaging) – 3 months

Abdominal imaging including dedicated **endorectal coil for prostate malignancies**,
Brain imaging with perfusion and spectroscopy, TOF & CE MRA, TOF & CE MRV etc.
Breast imaging with dedicated **breast coil**.
Extremity imaging with focus on musculoskeletal oncology (**knee & wrist coils**).

USG & Guided procedures including TRUS (Transrectal Ultrasound) – 3 months

- Convex and High resolution probes (with stress & strain **elastography**).
- Doppler studies.
- Guided FNAC / Biopsy (including TRUS guided **prostate biopsies**); fiducial placement.
- Pigtail catheter drainage.
- Intra-operative USG for organ preserving oncologic resections (liver, kidney)

PET CT Reporting & FluoroDR with DSA (*being installed*) – 2 months

- 64 Slice CT is used for co-registration of PET images.

Mammogram – 1 Month

- Digital Mammography including *prone table stereotactic breast biopsy*.

Other facilities available:

- DR (Digital radiography)
- CR (Computed radiography)
- Special investigations: *Barium (swallow, meal, meal follow through, enema); fistulogram*
- DEXA
- Radio Frequency Ablation

Academic activities

- **MDT (Multidisciplinary Team) discussion**- Fellows are expected to take active participation in case discussions with clinicians.
- **Journal presentation on recent advances.**
- **Interesting case presentation.**
- Fellows will be encouraged to **present at conferences & publish in journals.**

IMPORTANT DATES

Event	Date
Last date of receiving postal application	20-02-2022
Publishing list of eligible candidates	24-02-2022
MCQ Entrance Examination & Interview	11-03-2022
Final Result	15-03-2022
Date of Commencement of course	01-04-2022

VII. Leave during the course:

All the 365 days of the year are working days for fellows. However, they will be permitted to avail casual leave for 20 days, but not more than 10 days at a stretch. Any other leave will entail extension of the course. Those who take leave without prior sanction are liable to be considered to be on unauthorized absence. If the fellow is absent without authorization for more than 10 days, he / she will be terminated from the course and liquidated damages will be realized. All fellows are eligible for weekly off for one day. This will be allowed by the Head of the Department concerned without affecting the routine functioning of the Department. Weekly off cannot be accumulated.

CMEs, workshops and other academic programmes conducted by recognized academic bodies are essential aspects of training programme. All fellows will be permitted to attend such programmes without affecting the routine working of the Department concerned. The Heads of Departments shall sanction leave-on-duty to fellows provided they apply prior to the CME programme and the Head of Department is convinced about the genuineness of the programme and utility of the particular course. The fellows on returning from the programme should submit attendance certificate to the Head of the Department.

No fellow shall leave the country without prior sanction of the Director, RCC. Any violation will be viewed seriously warranting termination of the course.

VIII. Private Practice

Fellows shall not engage in private practice of any sort during the course of training.

IX. General

All students admitted to RCC will be bound by the rules and regulations as decided by the Director, RCC from time to time.

Notwithstanding anything contained in the Prospectus, the Director may at any time revise or amend any clause in the prospectus.

Any court cases/disputes shall be within the exclusive jurisdiction of competent courts in Kerala.
